

Email Visibility for Confident Executive Decisions

Your organization's conversations hold the truth about performance, culture, and risk. Org IQ equips executives and managers with the clarity to protect what matters most, providing the intel needed to make confident, proactive decisions.

Lead With Unprecedented Insight

Org IQ gives leadership teams intelligent, high-level visibility into:

- ✓ Potential **loss of critical institutional knowledge** when key people exit
- ✓ Subtle, **performance-draining shifts in team behavior or engagement**
- ✓ **Internal communication breakdowns** before they escalate into costly problems
- ✓ **Early indicators of customer dissatisfaction** that could lead to churn or reputational damage

And much, much more

Why Org IQ?

Glad you asked. For the past three years, Org IQ has:

Captured and preserved 50 million conversations across professional services, technology, and regulated industries like finance and healthcare

Maintained full data integrity, ensuring critical organizational records are searchable, secure, and compliant

Helped teams act faster during audits, investigations, and talent transitions to avoid disruption and losses

Achieved 94% client retention by giving leaders industry-first visibility into people, performance, and customer communications

But don't just take our word for it

With Org IQ, we don't just react. We anticipate. The visibility it gives into communication trends helps us spot issues early and make smarter calls across the business.
