

Faster facts. Fuller context. Stronger cases.

Email is the lifeblood of your firm's operations.

Org IQ turns it into your legal advantage, giving you the tools to see trouble sooner, act with certainty, and win more calmly.

Be the First to Find It, the Fastest to Act on It

Org IQ sets you apart with legal-grade features you knew you needed but had no idea existed:

- ✓ **Comprehensive e-discovery and litigation support** retrieves emails by matter, custodian, or timeframe to expose trends fast.
- ✓ **Ironclad retention and deletion controls** meet SEC, FINRA, HIPAA, and local standards with on-demand compliance reports.
- ✓ **Monitored user activity** tracks trends, flags anomalies, and accelerates audits without compromising privilege.
- ✓ **Scoped, revocable guest access** delivers precise inbox access for set periods with full interaction logs.

And much, much more

Why Org IQ?

So glad you asked. For the past three years, Org IQ has:

Securely archived 50 million legal emails for litigation, compliance, and regulatory work

Delivered immutable, court-ready records with end-to-end encryption

Helped legal teams cut e-discovery time by hours with one-click, full-context searches

Achieved 94% client retention by giving firms unmatched control and visibility into email evidence

But don't just take our word for it

"Discovery requests used to mean hours of inbox hunting. With Org IQ, we can pull exactly what we need in minutes. Compliance has become refreshingly painless for us, and a major relief for our clients."
