

Proactive Workplace Intelligence

Core Benefits of Org IQ

- ✓ **AI-powered sentiment analysis** → objective, data-backed insights
- ✓ **Powerful, tag-based search** across all internal communication
- ✓ **Immediate risk alerts** for HR, executives, and managers
- ✓ **Retain institutional knowledge** when employees leave
- ✓ **10-minute installation**, risk-free trial, no IT disruption

Ideal Client Profile

- ✓ HR teams that would benefit from automated risk identification
- ✓ Executives seeking alerts for client complaints or culture issues
- ✓ Companies with prior employee-related lawsuits or HR disputes
- ✓ Organizations with high turnover or fast growth
- ✓ Teams dependent on email for daily operations

Program Overview

Join a growing network of consultants, MSPs, and advisors helping businesses manage people, performance, and culture with data-backed insights.

Hands-Off Referral Model

You make the introduction, Org IQ handles everything else—live demo, onboarding, and lifetime support. Then you get to earn passive revenue.

Value-Add Partner Model

With client permission, gain full environment access to set up searches, alerts, and reports as part of your advisory or MSP service.

Revenue Share

- Earn a fixed percent of net revenue for the life of the referred client
- Transparent tracking and payout visibility

No quotas or exclusivity arrangements. Just aligned incentives.

Introduce your clients to proactive risk detection and industry-first people retention today.
