

Reveal the Buyer Signals Your CRM Can Only Hope to Catch

Email is Where Deals Are Won and Loyalty Is Earned... or Lost.

Org IQ helps sales and marketing teams see what's working, what's slipping, and where to focus next, all without chasing down CRM updates or juggling disconnected tools.

Zero In on the Conversations That Close Deals

Org IQ arms rev teams with Gemini-powered tools to:

- ✓ **Pinpoint handoff bottlenecks** between sales, marketing, and customer success.
- ✓ **Uncover repeatable patterns** behind wins, renewals, and churn.
- ✓ **Spot funnel friction** before prospects drift or leads go cold.
- ✓ **Track responsiveness** to high-value inbound emails.

And much, much more

Why Org IQ?

So glad you asked. For the past three years, Org IQ has:

Archived 50 million emails to reveal real-world conversations CRM dashboards miss

Maintained full data integrity with searchable, secure, and compliant record-keeping

Helped teams accelerate deal cycles and reduce churn through faster, insight-led action

Achieved 94% client retention by giving leaders direct visibility into rep, prospect, and customer interactions

But don't just take our word for it

"Our sales team's best practices were buried in our inboxes. With Org IQ, we turned them into deal-winning playbooks. That shift alone justifies our continued loyalty to this product."

DeAndre Harakas,
Chief Revenue Officer, GeyserSteam
